

TEMPERATURE KIOSKS

COVID READY
KEEPING THE WORKPLACE SAFE

Carry out employee and customer temperature checks, to help identify and avoid the spread of viruses

Assess staff and the public before entry to help identify illnesses, avoid the spread of viruses and maintain a healthy environment. These non-contact kiosks automatically read body temperature in seconds.

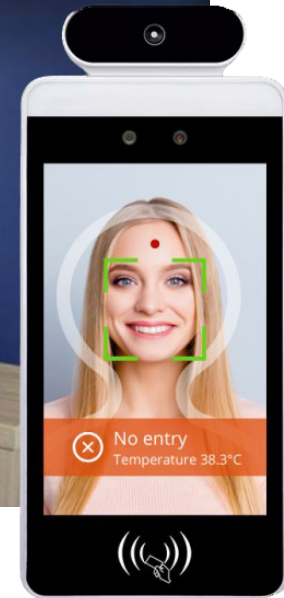

- Reads temperature in 1 second
- Displays temperature reading automatically
- Optional verbal message and LED traffic light system
- Instant email alerts for abnormal temperature readings or individuals not wearing a mask
- Set your own acceptable temperature levels
- Keep a record of your logs, allows export to Excel
- Plug and play solution, works standalone with only power connection required
- Automatic ID badge printing for staff and visitors
- Integrate with gates, turnstiles and door access
- One-off cost, no recurring costs for hardware or software
- Available in 3 options: wall, desktop or freestanding
