SOCIAL DISTANCING SCREENS

COVID READY
KEEPING THE WORKPLACE SAFE

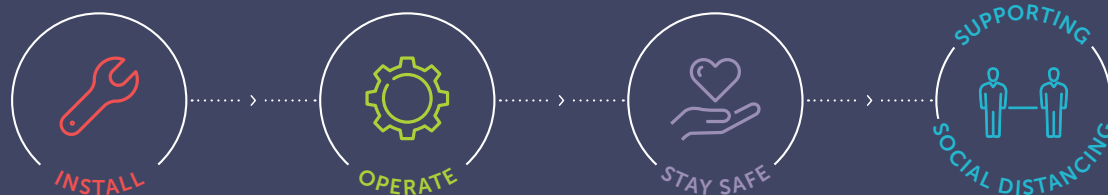

Help your staff to work safely and communicate with colleagues at adjoining workstations with our range of social distancing screens.

With desks typically providing less than 2m distances from other colleagues, social distancing screens can create a physical barrier without reducing actual desk space and without removing the social element of offices - and the need for a complete office redesign!

Create a safer workplace with our selection of distancing screens

Delivery terms and conditions

A £25 delivery charge will be applied to each order.

Delivery to UK mainland only during normal working hours (unless stated otherwise) and exclude VAT.

Full terms and conditions are available on request. We reserve the right to alter specifications where necessary. Upon placing an order for office furniture and associated products, all items contained therein will be placed on order with the furniture manufacturer(s) and thereafter cannot be amended or cancelled. By confirming and placing an order, it is also acknowledged that the full specification, functionality and usage of each product is understood by the purchaser and, where optional extras are required on the products, these have been clearly specified within the order. Once placed, orders cannot be cancelled and furniture items cannot be returned, other than for manufacturing defects which will be covered by manufacturer warranty. E&OE.
